## Dear Friends, Dear Guests, Dear Family,

As we finalised these pages for you, the lush green fields had begun their crawl upwards, recapturing the white snow-capped hills against the crisp blue skies. The cows are venturing into the fields, the rivers are full of flourish, and the Summer is nigh. Our wonderful landscape has begun its preparation for your curated stay.

Our great outdoors awaits you, from heli-yoga to Le Grand Spa sun lounges, from the Petit Chalet roast-chicken terrace to our Krug Pergola, from our outdoor relaxation pool to wild swimming. Let us curate a balance of health, relaxation and fulfilling activities to send you home refreshed and feeling fabulous.

We will tempt you with some of our newcomers on the menu such as our fresh scallop ceviche, apple and zucchini quinoa salad, Vietnamese spring rolls, and delicious veal fillet.

Our dining facilities now extend further to the exquisite Chesery restaurant under Robert Speth, as well as his formidable outpost at the Golfclub Gstaad Saanenland, which awaits you on its sun-drenched terrace. We are also launching our new Mexican buffet, and our Cine-Night now features a new performance: *Chef*.

Ultimately, we are here for you, to spoil you and rejuvenate your senses through our hugely varied resources. Come and be pampered.

With fond regards,

Daniel Koetser  
Owner & Managing Director
